CVS Caremark wants to provide you with high quality medicines at the best possible price. In order to do this, we will substitute equivalent generic medicines for brand name medicines whenever possible. If you do not want us to substitute generics, please provide specific instructions, including drug names, in the "Special Instructions" section of this form.

We may package all of these prescriptions together unless you tell us not to.

All claims for prescriptions submitted to CVS Caremark Mail Service Pharmacy using this form will be submitted to your prescription benefit plan for payment. If you do not want them submitted to your plan, do not use this form. You may call Customer Care to make alternate arrangements for submission of your order and payment.
