O.C.G.A. § 21-2-92

Qualifications of poll officers; service during municipal election or primary

(a)(1) Poll officers appointed pursuant to Code Sections 21-2-90 and 21-2-91 shall be judicious, intelligent, and upright citizens of the United States, residents of or otherwise employed by the county in which they are appointed except as otherwise provided in paragraph (2) of this subsection or, in the case of municipal elections, residents of or otherwise employed by the municipality in which the election is to be held or of the county in which that municipality is located, 16 years of age or over, and shall be able to read, write, and speak the English language. No poll officer shall be eligible for any nomination for public office or to be voted for at a primary or election at which the poll officer shall serve. No person who is otherwise holding public office, other than a political party office, shall be eligible to be appointed as or to serve as a poll officer. A parent, spouse, child, brother, sister, father-in-law, mother-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of a candidate shall not be eligible to serve as a poll officer in any precinct in which such candidate's name appears on the ballot in any primary or election.

(2) A poll officer may be allowed to serve in a county that adjoins the county in which such poll officer resides if, in the discretion of the election superintendent of the county in which such person resides, the waiver of such county residency or county employment requirements of paragraph (1) of this subsection do not impair the ability of the county to provide adequate staff for the performance of election duties under this chapter and if, in the discretion of the county election superintendent in which such person wishes to serve, sufficient need for more poll officers exists.

(b) Notwithstanding the provisions of subsection (a) of this Code section, in the event that a municipal primary or election is held in conjunction with a regular county, state, or federal election, poll officers assigned by the county election superintendent to conduct such county, state, or federal election shall also be authorized to serve as poll officers to conduct such municipal election or primary and shall not be required to be residents of said municipality.
